

**Salty (Friends)** by *James & Co.*

Salty is my good friend; he is my best friend now.

Oh! Meet Salty.

Hiding in this world all the way, seeing everything just today.

Oh! Meet Salty.

**Chorus:** Meet Salty. Whoa, Whoa, Whoa!

Meet Salty. Whoa, Whoa, Whoa, Whoa, Whoa!

Meet Salty.

Salty is my good friend; he is coming home.

Oh! Meet Salty.

Flying through the galaxy, helping everybody just like you and me.

Meet Salty.

**Chorus:** Meet Salty. Whoa, Whoa, Whoa!

Meet Salty. Whoa, Whoa, Whoa, Whoa, Whoa!

Come on and meet Salty.

He is coming home.

Meet Salty!
